OBJECTIVE

Motivated IT graduate with a B.Voc and M.Sc in Information Technology, seeking an entry-level Front End Developer role. Skilled in programming, Web development, debugging, and problem-solving, with a strong interest in building efficient and scalable web applications and contributing to innovative technology solutions.

EDUCATION

[2024–2026]	Master Degree (M.Sc. IT) at Bishop Heber College	(Percentage: 83.8)
[2021–2024]	Bachelor's Degree (B.Voc. IT) at Bishop Heber College	(Percentage: 79.9)
[2019–2021]	Class 12th (HSC) State Board	(Percentage: 86)
[2019]	Class 10th (SSLC) State Board	(Percentage: 76)

PROJECTS

- **Simple Food Recipe application**

Tech Stack: React js, CSS

Developed a responsive recipe search application using React.js and the Spoonacular API. Users can search for recipes and view detailed recipe information. Implemented API integration, React Hooks (useState, useEffect), component-based design, and responsive CSS.

- **Personal Digital Portfolio**

Tech Stack: HTML, CSS, JavaScript

Designed and developed a responsive portfolio website to showcase projects, skills, and contact details. Focused on clean design, smooth navigation, and mobile responsiveness to create a professional online presence.

CERTIFICATES

- Completed certification in Frontend Development (HTML, CSS) from Great Learning.
Gained hands-on experience in building responsive web pages and understanding core web design principles.
- Earned Certificate of Achievement for successfully completing "How to CSS" from CodeKaro.
Improved skills in styling, layout design, and creating visually appealing user interfaces.

ACHIEVEMENTS

- Received Academic Topper Award(Rank 2) for outstanding academic performance (Both Sem1 and 2).
Shows consistent academic performance with strong focus and dedication.
- Served as Joint Secretary for department functions, coordinating events and managing responsibilities.
Showcased leadership, teamwork and effective communication skills in organizing successful events.

INTERNSHIPS

- Web Development Intern, Elevate Labs (May 26, 2025 – June 28, 2025)
Worked on developing and improving web applications using frontend technologies.
Gained hands-on experience in designing responsive interfaces and understanding real-world development workflows.
- UI/UX Design Intern, DoVoo (June 1, 2025 – June 30, 2025)
Designed user-friendly interfaces and improved user experience by applying design principles.

SKILLS

- **Languages:** React Js, JavaScript, Html, Css
- **Interests:** Playing cricket, creating websites.
